Office of the Deputy Commissioner
Hassan District.

Dacca, Hassan, 9th April, 1898.

From

The Deputy Commissioner
Hassan District.

To

The Secretary to the Government of Mysore
General and Revenue Departments.

Sir,

As directed in para 2 of Government Proceedings No. 2243-80 dated 3rd March 1896, I have the honour to submit herewith a list of building sites within half a mile of the boundary of the Arsikere Railway Station as are not likely to be required for Railway purposes. The military reports that these sites are inside the town and that there is no likelihood of their being required by the Railway Department, not being also conveniently situated for such purpose.

I therefore request that you will be good as to obtain sanction of Government to grant them for building purposes as much land is felt for the same.

I have the honour to be

Sir,

Your most obedient servant

Deputy Commissioner
Hassan District.
